Send Your Orders to Macon Merchants

THE Parcel Post has been in operation since January First and with this system it renders senders service for every person in Noxubee county and surroundings, giving them the same transportation facilities as nave heretofore been offered by the express companies, the advantage being that the parcel post almost reaches your very door. The Macon merchants are able to handle your wants as low as can be had anywhere and when you send them your orders you trade at home with people that help pay the expenses of the town, county and state. The mail order business will receive accurate and satisfactory attention here. If you have anything to sell the Macon merchants will buy it, so why not spend your money with them. Always the best price for cotton paid here. So make Macon your trading point. Don't Kick, don't Knockpush with all your might to uplift and upbuild your home town, MACON, MISS.

To purify the air of offices or sick rooms, says the Scientific American, soak a few pieces of brown paper in a solution of saltpeter then allow them to dry. When desired for use lay a hand ful of flowers of lavender which can be gotten of any druggist, on a tin pan with a few pieces of the paper and light. The aroma is refreshing and agreeable and drives away insects. If hot water is procurable, a few drops of oil of lav ender in a glass of very hot water Mrs. Sam Cunningham and children is good.
